A screenshot of a web browser window. The address bar shows "localhost:8080/login/doLogin". The browser's bookmark bar contains "Student Portal | Main", "YouTube", "ChatGPT", and "iCloud". The main content area has a dark background. It features a "User Name:" label followed by a text input field and a red error message "user name must be between 1 and 32 Characters". Below this is a "Password:" label followed by a text input field and a red error message "Password must be between 1 and 32 Characters". A "Submit" button is positioned below the password field. At the bottom, a section titled "List of errors" contains two red error messages: "Password must be between 1 and 32 Characters" and "user name must be between 1 and 32 Characters".

Exercise 3 Screenshots:

A screenshot of a web browser window showing a university website. The address bar shows "localhost:8080/login/". The browser's bookmark bar contains "Student Portal | Main", "YouTube", "ChatGPT", and "iCloud". The main content area has a dark background. At the top, it says "Welcome to my CST-339 Spring Boot Activity Application". Below this is a navigation bar with links "GCU", "Home", "Shop", "News and Events", and a "Start Page" link. The main content area features a "Login Form" section. It includes the Grand Canyon University logo, which is a purple silhouette of a canyon with the text "GRAND CANYON UNIVERSITY" below it. Below the logo are two text input fields labeled "User Name:" and "Password:", followed by a "Submit" button. At the bottom of the page, there is a small copyright notice: "Copyright 2020 Grand Canyon University".
